CAPM Certification Preparation Training

The Certified Associate in Project Management (CAPM®) program is designed to lead the participant to an internationally recognized certification from the Project Management Institute (PMI®)(USA). The program will help individuals prepare for the Certified Associate in Project Management (CAPM®) Examination.

What skills will the student gain?
After the completion of this course, the student will be able to:
- Understand the processes of project management
- Learn how to use the PMBOK® Guide to prepare for the examination
- Ascertain their level of readiness for taking the CAPM Examination.

Our trainer conducting a session for Taj employees at Taj Malabar, Cochin

Cost of CAPM Certification
Certification cost has two components -
